

ENGINEERING & AUTOMATION

QTY

Tooling	4000 square-foot fireproof mold storage	
	Domestic tooling	
	Offshore tooling	
	Prototype tooling	
Automation	Servo robots	19
	Servo robots with sub arm	6
	Pickers	13
	Stäubli 6 axis robots	2
	In house design and build automation department	
Engineering	Mold Flow Analysis	
	Solid Works	
	Solid View	
	DFM	
	Materials expertise	
	Project support	
Plastic resins	Engineering grade thermoplastics	
	Filled materials	
	Thermoplastic elastomers	
	PEEK and PPS	
	Medical grade	
	Custom colors
